ELEMENTS OF HER STYLE

- 1 Flirty silhouettes**
Dresses with movement, in bright colors and shiny materials are cornerstones of her wardrobe. She never overlooks the power of a fun detail: a gather here, a stitch there.
- 2 Retro heels** She walks tall in glam platforms, t-strap, peep-toes and Mary Janes.
- 3 Playful accessories** A colorful bangle, a metallic clutch, simple but long earrings add flair but never prove too distracting.
- 4 Princess hair** Her lustrous locks are always on display. It's her crowning glory.
